FROM THE ADMINISTRATOR'S DESK

Dear Parents,

We thank our Lord for a blessed first week of school! As to be expected, there were challenges that made it a busy week, but I need to clearly express something that I am sure you already know: We have been truly blessed with an incredibly talented staff and faculty, who with smiles on their faces, press on through the challenges with our children, and serve with all their might. Take a minute to thank our Creator for that.

Below are two items that I thought would be beneficial to communicate to you this week:

1. Dress Code: On page 17 of our Student/Parent Handbook, you will find our current dress code policy, which has been approved by our School Board. I ask that you read it carefully and continue to help your children abide by it. The reality is that we put our beloved teachers in a difficult position if we do not. The general guideline is "neat" and "modest" clothing. The specific guidelines relate to shorts. They are permitted "when the high temperature forecasted for Dyer, IN is above 80 degrees for the day." "Athletic shorts are not permitted for the classroom setting." They must also "reach below fingertip length." On behalf of the teachers and I, thank you for working together with us on this matter.

2. High-school Schedule Changes: In the past week, we experienced significant shifting of student schedules, which has resulted in reduced numbers in a few excellent but challenging courses. We recognize that there are a wide variety of reasons for this, but please encourage your students in all their course choices to consider what classes would contribute to their long term development.

EMERGENCY CONTACT

If your emergency contact number(s) has changed from your registration form, please call the school office with the new information so we can update our files.

MEDICATION

If you send any medication with your child to school, it **MUST** be checked in at the office.

CHAPEL THEME SONG

Our first chapel theme song is: Psalter #277 vs. 1-4.
